Timothy Hay and carrots! I promise that once I get comfortable, I'd love nothing more than the warmth of a lap and some petting time. Since I find too much activity a bit stressful, I am currently available for adoption, but living with a foster family.

I'm a charming and delightful small animal companion looking for a special home and family to cherish! I enjoy entertaining my people friends, playing with my toys, and munching on my treats. I love to put my eyes and ears to work, soaking up the sights and sounds of the world around me. I'm a lovable companion seeking a special home where I'll be a cherished member of the family. With bright eyes and a precious face, I have a beautiful personality to match.

Type of home I'm looking for: A home where I will be an indoor bunny and a cherished member of the family.
